# LegalShield Workshop

Brought to you in partnership with LegalShield

WEDNESDAY, OCT 5th, 2022  
2:00PM - 3:00PM

This FREE workshop will introduce ILA & RRA Members to information about this cost-saving legal resource; workshop participants will have questions answered by Jazmin Steele, LegalShield Advocate.

*I needed support from LegalShield long before I joined the SD [San Diego] ILA. I used LegalShield for personal purposes, and now for business purposes. It is one of those things you better have it, when you need it...it's very handy when you have legal questions, since they respond within 24 hours to your questions. What I found most helpful was that when I applied for LLC registration, they walked me through it the proper and legal way.*
